Computer Science Tutor
Ramsey El-Naggar

tutor@rmsy.me | *+34 654 709 883* | *rmsy.me/linkedin*

Last updated: Jan 2023. First-class Master's graduate of the University of Edinburgh offering personalised online computer science and programming tuition. Trained as a university tutor, and accredited as an Associate Fellow of the Higher Education Academy. Six years teaching experience across a range of ages and levels – from high school to postgraduate to working professionals – with unanimously positive ratings and reviews.

Teaching Experience

Computer Science Tutor · Self-employed *Jan 2019–Present (Jan 2023). · 4 years, 1 months*

- Over 2000 hours privately tutoring working professionals and students from high school to postgraduate, found by word-of-mouth referral or via popular online tutoring platforms such as MyTutor.
- Received over 600 unanimously 5-star ratings and positive reviews in terms of increasing programming and exam confidence and improving on expected grade outcomes for coursework and final exams.

Informatics University Tutor · The University of Edinburgh *Aug 2016–Jul 2018 · 2 years*

- Trained as a tutor by the university, in total teaching 11 groups of up to 20 students across six different courses from the School of Informatics, plus around 50 hours one-on-one support for struggling and resit students.
- Nominated three times for the university's 'Best Student Who Tutors' Teaching Award. One student wrote: "Some topics that I couldn't understand in the lectures were made absolutely clear by Ramsey."

Informatics Student Support Manager · The University of Edinburgh· *Sep 2016–Dec 2016 · 4 months*

- Recruited, trained, supported and managed 12 leaders for the InfPALS student support scheme.
- Increased end-user attendance by 125% (from 24 to 54 students per week) and overall reach by 130% (from 47 to 108 unique students) by advertising online, on social media, and in person giving talks around campus.

Informatics Demonstrator · The University of Edinburgh *Jan 2016–May 2016 · 5 months*

- Ran large group sessions for students from non-informatics backgrounds, often completely new to programming, coaching them through the theory and practicalities necessary to complete their exercises and assignments.

Education, Accreditation and Certification

MyTutor · Disclosure and Barring Service (DBS) *Jan 2022*
Enhanced DBS Check Certificate (Child Workforce Online Tutor)

The University of Edinburgh · Higher Education Academy (HEA) *Jan 2018*
Associate Fellow of the Higher Education Academy · *AFHEA*

The University of Edinburgh · British Computer Society (BCS) *Aug 2013–Jul 2018 · 5 years*
Master of Informatics with Honours · First Class · *MInf CEng CITP CSci*

- First-class Master's degree from a UK Russell Group university.
- Includes computer science, software engineering, artificial intelligence, data science, machine learning.
- MSc specialist area: **intelligent robotics**.
- For my dissertation, I built a dung beetle robot, programmed the robot with a neural model of navigational behaviour, and received a grant to travel to South Africa to test the robot against real dung beetles.
- Edinburgh Award for volunteering to lead peer-assisted learning sessions.
- BCS Prize for Top Performance (99%) in Professional Issues; awarded BCS membership (MBCS).

Speyside High School · Scottish Qualifications Authority (SQA) *Aug 2007–Jul 2013 · 6 years*
